### **DETAILED ACTION**

1. Claims 1-4, 6-15, 17, 19 and 21-26 are pending. The Applicant has canceled claims 5, 16, 18 and 20 from the Amendment received January 8, 2004.

#### ***Response to Amendment***

2. Applicant's Amendment and Remarks/Arguments have been reviewed. As a result, the previous rejection is withdrawn. Applicant's May 22, 2003 Information Disclosure Statement (IDS) was received and has now been reviewed. Note the attached PTO-1449. The Examiner thanks Applicant for pointing out the inadvertent error of previously not reviewing such.

#### ***Claim Rejections - 35 USC § 103***

3. Claims 1-4, 6-15, 17, 19 and 21-26 are rejected under 35 U.S.C. 103(a) as being unpatentable over Sloane et al., US 6,434,530.

Sloane discloses a system, e.g. 100, for providing product inventory control, e.g. 602, 604, comprising a interface, e.g. 126, for providing product information and additional product-related information, a bi-directional voice signal, e.g. 123, 131, 141, Fig. 4, and speech synthesizer, e.g. 114. Sloane does not appear to explicitly describe product location information.

Art Unit: 3627

However, Sloane does disclose the system is designed to receive data and reports, e.g. col. 3, lines 40-59. To have provided product location information as part of a report for Sloane would have been obvious to one of ordinary skill in the art. The motivation for doing such would be access to such information to facilitate easier purchase thereof. It is noted that transmitting product location information was common knowledge in the art at the time of Applicant's invention.

4. Walsh et al., US 6,144,848, discloses product availability in a system.

### *Conclusion*

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
